Our Standards

Sirim Standard

The first of its kind Indian Brand to be accredited with SIRI Standard certification.

CE Certified

Bell products are certified with the latest CE Mark.

ISI Certified

Bell uses the finest raw materials that are purified, tested and ISI certified through the latest lab equipments.

ISO 14001

Certified with ISO Quality Management System and Environment Management Process.

ISO 9001

Certified with ISO Quality Management System and Environment Management Process.

Advance Technology

Advance Technology Kiln with unified firing powered by eco-friendly natural gas.

Raw Material

Bell uses the finest raw materials that are purified, tested and certified through the latest lab equipment.

Vacuum Test

Vacuum test helps leak-free operation for toilets.

Dazzling White

Crystal clear white - 100% Opaque which gives a pleasing feel with its purity.

Anti Bacterial

All Bell products are glazed with an anti-bacterial coating for hygiene purposes.

Stain Free

Water repellent surface that does not allow water drops to stay on the surface.

Sealed & Leak Proof

Designed with a full-sealed structure, which is more effective in suppressing pipeline odour overflow, preventing air & water leakage, and breeding mosquitoes.

For Children

Specially designed for children making it easier to use for them.

Reduce Mobility

Products to assist people with disabilities & reduced mobility.

Customer First

Happy to help our customers.

Whatever good things we build end up building us.

Bell Sanitarywares.

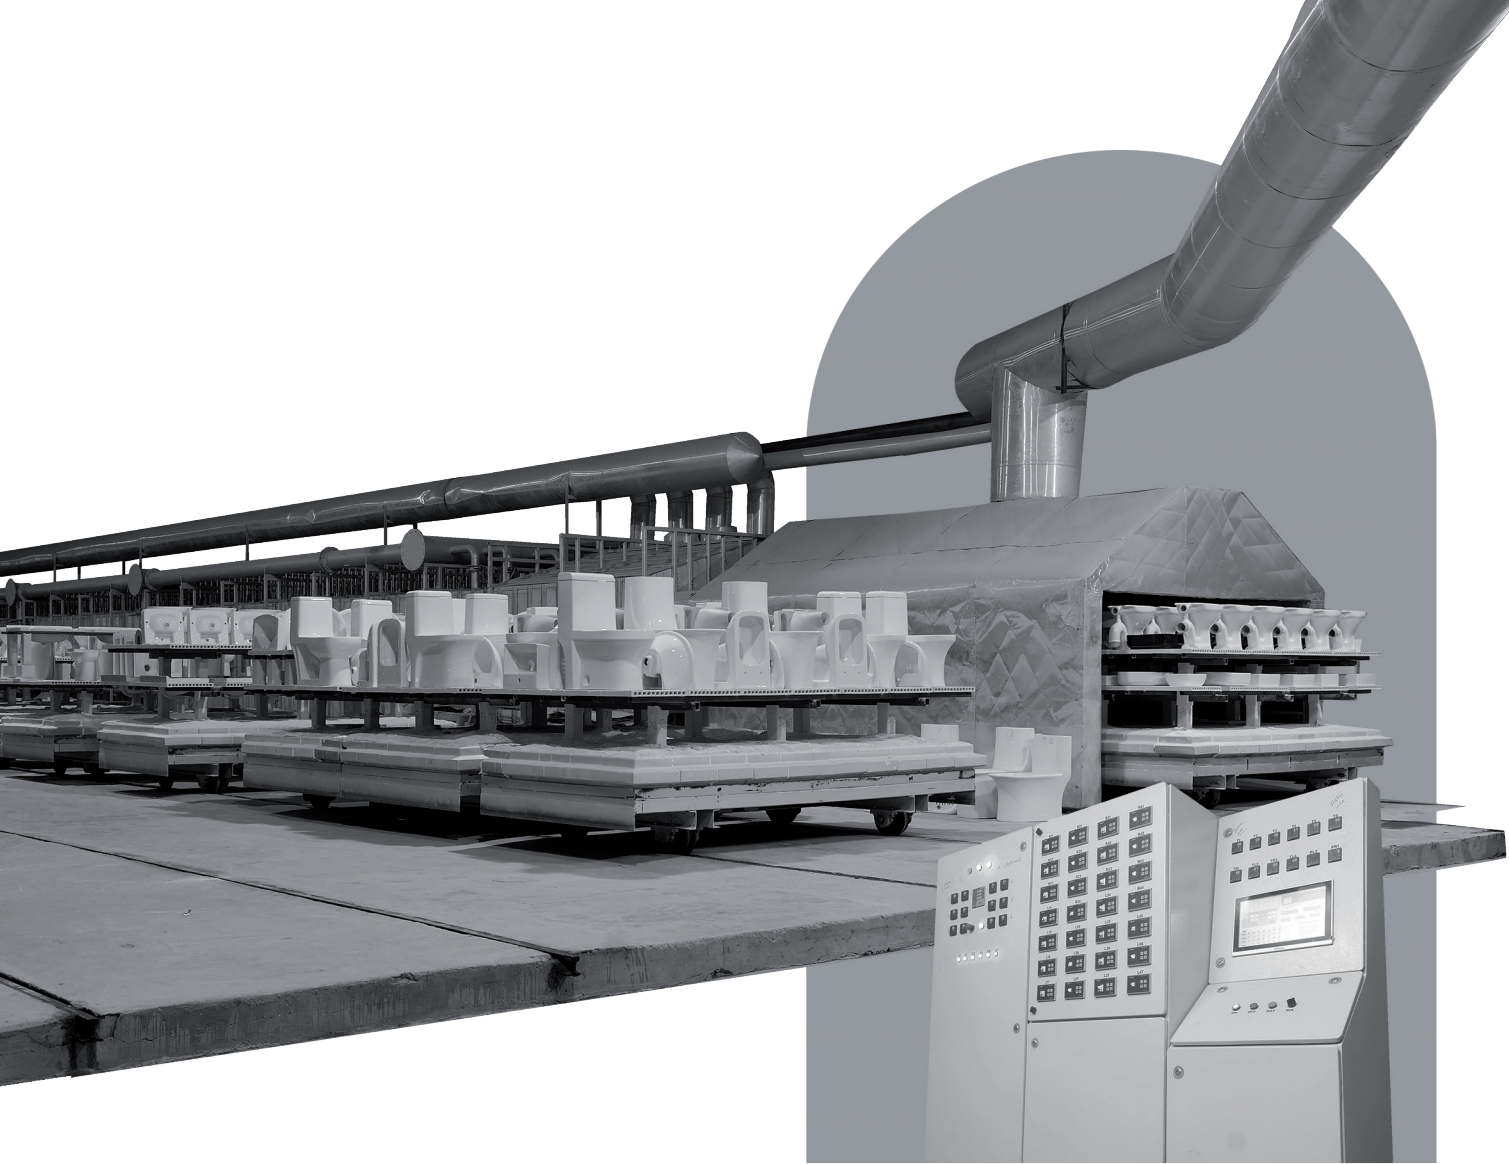

Discover the luxurious lifestyle range of products designed to inspire and spark
creativity in your everyday life. With craftsmanship, detail, and comfort at the forefront
of our design philosophy, you can rely on us to make every detail count.

Revamp your bathroom and elevate your lifestyle with Bell Sanitary Wares! Get ready
to be amazed at the brilliant, innovative designs and top-notch quality!

At Bell, we are dedicated to providing our customers with the highest quality
sanitaryware products possible. To achieve this, we follow the European standard
manufacturing process, which ensures consistent and precise production from start
to finish. Our unified batch mixers play a crucial role in this process, producing ultra-
refined slurry that is key to creating superior designs and finishes.

With our state-of-the-art equipment and skilled team of technicians, we are able to
deliver a wide range of sanitaryware products that are not only visually stunning, but
also durable and functional.

At Bell, we take pride in our commitment to excellence, and it shows in every product
we produce.

UNCOMPROMISED

QUALITY

At Bell Sanitaryware, we believe that performance is everything. With more than eight tests based on various parameters, we ensure our products meet the highest functionality, installation capability, appearance, and feature standards. Our strict quality control process includes marking and identification, individual and multiple marking, and verification of color, among many others.

We are proud to offer a wide range of innovative sanitary ware products that are stylish and functional. Our team of experts is dedicated to providing the best possible customer service, and we strive to exceed our client's expectations every time.

We thank you for choosing Bell for your home/office and wish you a very pleasant experience. Although our products are made to work for much longer period than the warranty periods, proper installation by trained technician and maintenance of the products are needed to get optimum performance..

- Bell will at its choice, repair, replace, or make appropriate adjustment where its inspection discloses any such defects occurring in normal usage as per terms mentioned below. Bell is not responsible for installation costs.
- Bell reserves the right to examine product in question, and its installation, prior to replacement and will replace free of charge any part that proves defective in material and manufacturing workmanship under normal installation, use and service.
- The warranty is applicable from the date of purchase.
- The customer must produce the VAT/GST paid invoice/warranty card in original to avail warranty service. In case the purchase has been done by the developer of the apartment, the possession letter from the developer will be treated as equivalent to bill.
- The company is not liable for any damage out of faulty installation.
- Use of cement is not recommended for fixing this product, recommended to use screw and silicone/plastic washer for fixing, use water proof silicone sealant to cover the gap between product and floor.
- The warranty becomes null and void if installation is not done by qualified and experienced technician and/or as per the installation procedure laid down by the company.
- The company is also not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old products.
- The company is not liable for any consequential expenses or damages.
- An equivalent replacement at pro-rata basis shall be provided in case the product has been discontinued, where in the customer has to pay proportionate amount on the current MRP, given the product is within the aforementioned warranty terms.
- Warranty remains applicable only if the products have at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given.
- In the event of non-availability of components or parts due to any reason whatsoever Company or its Authorized Service provider or the Dealer will not be responsible or liable for any delay that may be caused to service/repair of the Products; no claims financial or otherwise will be entertained.
- Company and customer agree that company will not be liable for any damages whatsoever arising out of use or inability to use its Company's Products. Bell bears no responsibility for incidental or consequential damages arising out of use or inability to use Company Product.
- By purchasing this product, customer agrees to Company's aforesaid warranty on the product.
- A water softener and proper water pressure are essential for the smooth functioning of all bathroom products including faucets, showers, and fittings. Using a softener helps prevent blockages, reduces scaling, and increases the lifespan of every product.
- Company shall not be liable to Customer claiming the warranty under the terms of condition of this Limited Warranty Certificate, due to effects caused by rodents/pets or in the events of force majeure. The Force Majeure means any disaster, act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electric storms, tornado, flood, casualty, lockout, strike, labor conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause of the Company or beyond the reasonable control of the party relying upon such circumstance or event.
- Company and customer agree that Bell bears no responsibility for incidental and/or consequential damage arising out of use and for inability to use a product. Company liability will be limited and restricted to the product replacement/value of the product sold. Company under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case replacement is the only option then the customer has to hand over the defective product to the seller from whom it was purchased and take the replacement product from there.
