**BATH FITTING & ACCESSORIES**

A LEGACY OF QUALITY  
FUTURE OF FLOW

OUR STORY BEGAN IN 2004 IN THE INDUSTRIAL HEARTLAND OF MORBI, GUJARAT, WITH A SINGULAR VISION: TO REDEFINE THE STANDARDS OF INDIAN SANITARYWARE. FOR OVER TWO DECADES, BELL SANITARYWARES HAS BEEN SYNONYMOUS WITH TRUST, DURABILITY, AND IMPECCABLY CRAFTED CERAMICS. WE HAVE SPENT YEARS MASTERING THE ART OF THE VESSEL—CREATING THE BASINS AND CLOSETS THAT HAVE BECOME THE CENTERPIECE OF COUNTLESS MODERN BATHROOMS.

BUT WE BELIEVE THAT A BEAUTIFUL VESSEL DESERVES A FLAWLESS FLOW. THE DECISION TO EXPAND INTO BATH FITTINGS & FAUCETS WAS A NATURAL EVOLUTION OF OUR JOURNEY, DRIVEN BY THE DESIRE TO OFFER A COMPLETE, UNIFIED BATHROOM EXPERIENCE. WE HAVE TAKEN THE SAME UNCOMPROMISING VALUES THAT DEFINED OUR CERAMICS—PRECISION, HYGIENE, AND AESTHETICS—AND TRANSLATED THEM INTO HIGH-GRADE BRASS ENGINEERING. THIS IS NOT JUST A NEW PRODUCT LINE; IT IS THE BRIDGING OF TWO WORLDS. WE ARE TRANSFERRING THE LEGACY OF OUR CLAY INTO THE STRENGTH OF OUR METAL, ENSURING THAT THE BELL NAME STANDS FOR EXCELLENCE IN EVERY CORNER OF YOUR BATHROOM.

THIS EXPANSION IS BACKED BY A ROBUST MANUFACTURING ECOSYSTEM. WE HAVE INVESTED IN ADVANCED GRAVITY CASTING AND CNC MACHINING FACILITIES TO ENSURE EVERY FAUCET IS A MASTERPIECE OF STRUCTURAL INTEGRITY. FROM THE HEAVY-DUTY VIRGIN BRASS BODY TO THE SILK-MOTION CERAMIC CARTRIDGES, EVERY COMPONENT IS RIGOROUSLY TESTED FOR LONGEVITY.

OUR FAUCETS ARE ENGINEERED TO WITHSTAND TOUGH INDIAN WATER CONDITIONS WHILE MAINTAINING A MIRROR-LIKE SHINE THROUGH TRIPLE-LAYER PROTECTION. WE INVITE YOU TO EXPERIENCE THE PERFECT SYNERGY—WHERE THE TIMELESS BEAUTY OF OUR CERAMICS MEETS THE PRECISION ENGINEERING OF OUR FAUCETS.

# THE **ENGINEERING** BEHIND THE **FLOW**

## **Silk-Move Ceramic Cartridges Copy :**

At the heart of every faucet lies our high-precision ceramic disc cartridge. Tested for over 300,000 cycles, our cartridges ensure a leak-free lifespan.

## **Foam-Flow Aerators :**

We integrate world-class aerators to deliver a splash-free, soft to the touch water stream. By infusing air into the flow, our technology reduces water consumption up to 30% without compromising on pressure or comfort.

## **Mirror-Look Plating**

Our faucets undergo a multi-layer electroplating process that provides a brilliant, mirror-like shine. This advanced coating has been salt-spray tested to resist rust and corrosion, ensuring your bathroom looks sparkling for years.

## **High-Grade Brass Body**

Crafted from high-quality virgin brass, our faucets are built to withstand high water pressure and temperature fluctuations. This heavy-duty construction prevents internal cracks and ensures safe, clean water for your family.

## **100% Quality Tested**

Crafted from high-quality virgin brass, our faucets are built to withstand high water pressure and temperature fluctuations. This heavy-duty construction prevents internal cracks and ensures safe, clean water for your family.

Bell products are designed to deliver  
Ultimate fusion of **sophistication**  
And **satisfaction** along with  
**Value for money**

that's why we call it  
the **sound** of **quality**

## Refined Soft Flow Technology

The integrated soft flow mechanism transforms the water stream into a gentle, aerated output. This results in a smoother touch on the skin, reduced splash, and an overall more comfortable and relaxing shower experience.

## Precision Performance

- Even and consistent water dispersion
- Controlled pressure for a balanced flow
- Efficient water delivery without harsh spray

We thank you for choosing Bell for your home/office and wish you a very pleasant experience. Although our products are made to work for much longer period than the warranty periods, proper installation by trained technician and maintenance of the products are needed to get optimum performance.

- Bell will at its choice, repair, replace, or make appropriate adjustment where its inspection discloses any such defects occurring in normal usage as per terms mentioned below. Bell is not responsible for installation costs.
- Bell reserves the right to examine product in question, and its installation, prior to replacement and will replace free of charge any part that proves defective in material and manufacturing workmanship under normal installation, use and service.
- The warranty is applicable from the date of purchase.
- The customer must produce the VAT/GST paid invoice/warranty card in original to avail warranty service. In case the purchase has been done by the developer of the apartment, the possession letter from the developer will be treated as equivalent to bill.
- The company is not liable for any damage out of faulty installation.
- Use of cement is not recommended for fixing this product, recommended to use screw and silicone/plastic washer for fixing, use water proof silicone sealant to cover the gap between product and floor.
- The warranty becomes null and void if installation is not done by qualified and experienced technician and/or as per the installation procedure laid down by the company.
- The company is also not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old products.
- The company is not liable for any consequential expenses or damages.
- An equivalent replacement at pro-rata basis shall be provided in case the product has been discontinued, where in the customer has to pay proportionate amount on the current MRP, given the product is within the aforementioned warranty terms.
- Warranty remains applicable only if the products have at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given.
- In the event of non-availability of components or parts due to any reason whatsoever Company or its Authorized Service provider or the Dealer will not be responsible or liable for any delay that may be caused to service/repair of the Products; no claims financial or otherwise will be entertained.
- Company and customer agree that company will not be liable for any damages whatsoever arising out of use or inability to use its Company's Products. Bell bears no responsibility for incidental or consequential damages arising out of use or inability to use Company Product.
- By purchasing this product, customer agrees to Company's aforesaid warranty on the product.
- A water softener and proper water pressure are essential for the smooth functioning of all bathroom products including faucets, showers, and fittings. Using a softener helps prevent blockages, reduces scaling, and increases the lifespan of every product.
- Company shall not be liable to Customer claiming the warranty under the terms of condition of this Limited Warranty Certificate, due to effects caused by rodents/pets or in the events of force majeure. The Force Majeure means any disaster, act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electric storms, tornado, flood, casualty, lockout, strike, labor conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause of the Company or beyond the reasonable control of the party relying upon such circumstance or event.
- Company and customer agree that Bell bears no responsibility for incidental and/or consequential damage arising out of use and for inability to use a product. Company liability will be limited and restricted to the product replacement/value of the product sold. Company under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case replacement is the only option then the customer has to hand over the defective product to the seller from whom it was purchased and take the replacement product from there.
